Nevada City Parks & Recreation Nevada City Pool Pool Rules

POOL RULES (as posted at the facility)

The following rules were developed to create a safe, healthy and enjoyable environment.

- ◆ Children under 6 years of age must be accompanied by an adult
- Patrons must shower before entering pool
- ◆ Arm "floaties" or other USCG "non-approved" flotation device, rafts or balls are NOT allowed
- Proper & clean swimming attire only may be worn. Cut off shorts and t-shirts are not allowed.
- Masks, fins and snorkels only with consent of Lifeguard
- Patrons with open sores, bandages or the flu not allowed in the pool.
- Stay off of the lane and swim area divider ropes.
- Diving in less than 7 feet of water is not allowed.
- Patrons must pass a swim test* to go into deep water.
- Horseplay and running are not allowed
- ♦ Smoking, gum, alcohol & glass are NOT allowed

Aquatics staff has final authority in all matters of pool operation, administration & safety.

ADDITIONAL POOL RULES (not posted)

- Smoking is NOT permitted anywhere in Pioneer Park.
- No Running (even on the grass)
- No one may enter the pool area if under the influence of alcohol, or any other harmful substances
- Patrons may not sit on the edge of the pool with food or drink.
- Animals are prohibited in the pool area. (Service animals allowed in facility, but not in the pool.)
- Bicycles, skateboards, in-line skates and other vehicles are not permitted inside the pool area.
- ◆ The use of profanity is prohibited.
- No climbing over the rock walls.
- No climbing or sitting on the tarps
- ♦ No riding on shoulders

*SWIM TEST

Everyone must take the swim test before entering the deep end of the pool. To pass the swim test, the swimmer must swim from one side of the pool to the other and back. (Approximately 35 yards) The swimmer must swim free style (no breast stroke or under water). If the swimmer stops, grabs the rope or touches the bottom of the pool, they will not pass the test.
